The last possible date for your Regional Tournament to take place is **Saturday 2 May**.

GUARANTEED REGIONAL ENTRIES

Every Region is **guaranteed 1 team per age group**.

ADDITIONAL TEAMS

As we are aiming to enter 12 teams per age group, every Region must provide the names of the schools in the top 5 positions, during their Regional Tournament [if they have that many teams participating.

We should be able to let the schools know by **5 May**, which of the Reserve Teams have been included in the Provisional Entries.

COMBINING OF TEAMS

It is important to note that **small schools** are allowed to combine with other **small schools** to enter teams.

It is also important that the combining of teams, is **only** for the purpose of being able to field a team and **not for the purpose of strengthening a team.**

REGIONAL RESULT FORM

Included, please find the document: **SACSSA SENIOR INTER-SCHOOL NETBALL 2026 – REGIONAL RESULT FORM.**

These Regional Results need to reach the SACSSA National Office, **no later than Monday 4 May. Regional Results that are late, will not be considered.**

UMPIRES & TEAM MANAGERS

Once the schools receive the Provisional Entries [on 5 May] they must enter their Umpires and Team Managers, which must be submitted **no later than Thursday 7 May.**

For **every team** that is entered, the school **must supply a qualified umpire.** Should a school not be able to supply the required number of qualified umpires, an Umpires' Fee [maximum of R400-00 per umpire short] will be charged, to enable us to hire additional umpires. A school will not be required to supply more than 3 umpires even if they have more teams entered, as in the case of A, B & C teams in certain age groups.

Schools that have more than the required number of Qualified Umpires, are welcome to submit these names as well and if these additional umpires are needed, the school will be compensated.

The Regional Co-ordinators or Regional Netball Co-ordinators are required to approve all umpires that are entered by a school.
